Re: ADAGE Mason LLC – Determination of Significance

Parties of Interest,

Mason County has entered into a Memorandum of Understanding with ADAGE Mason LLC to suspend the SEPA threshold determination issued on October 28, 2010. This Agreement does not revoke or withdraw the County's Determination of Significance, but serves to suspend the scoping process and allow ADAGE to submit additional information as previously provided in my letter dated September 10, 2010. The County will review all additional information received and respond in one of three ways – withdraw, amend, or stand by our Determination. During this review process we will continue to accept scoping comments and will hold them until we have completed the final review of ADAGE's submittal.

Copies of the Memorandum of Agreement as well as my letter of September 10, 2010 are available on the County's website by visiting Community Development's homepage. If you have any questions, please contact me at (360) 427-9670, ext. 286 or at Barbara@co.mason.wa.us.

Thank you,
